“ *Mary Ann was such a wonderful and generous person with too many beautiful things to say about her because she was so unique. One of a kind!! I was always made to feel like family with her hug and warm words of greetings each time we met. She raised a wonderful family and loved each and every one of them so much and they loved her too. She always had many adventurous stories to tell about her family when they were growing up and on her life adventures when they were adults. These stories were told with her funny wit that would leave us with a smile. She was an awesome lady. I will miss you, dear friend.*

“ *I had not known Mary Ann but a few months, but we instantly became friends. I know this is a very hard time for the family, but she and I had talked about this very thing, and Mary Ann did it her way! She was a true lady and you will have many memories of good times. She missed Mayes, but now they are together. Bennie, Matt and Leanne, just know that she loved you all dearly, (because she told me so). I'll miss her, she was a great friend. Jeanice Holland*

“ I had so much fun with MaryAnn. She made me feel at home from the moment we met. Witty, she often hid her kind heart with a sharp tone. Her love for her family was ever present. You are all in my thoughts and prayers.
