Kelly, if you ever read this, i miss you too and I hope that we can keep in touch.

MOM: Dave misses you the most. He misses your talks and everything that you did for him. He is getting by with our help, but he misses you and is lost without you.

MOM: Thank you for all that you have done for me throughout my life. I understand NOW all the little things that you did and said about everything. I understand it all now. It makes sense. Thank you MOM. I love so much and miss you dearly. Oh, the animals are doing good. I have JR, and Katie and the other two are fine.

“ Melissa, I enjoyed the times talked on the phone sometime ago. Thanks for being one of my email buddies. I want to say, that your mother sounds like a wonderful lady. From what you told me about her, she loved you very much and could not be more proud of you than she was before God called her home. She will be missed by all of you, but remember God has her now and He also loves her very much. May God comfort you and your family in this time of bereavement. My husband and I will keep you in our prayers
Love you much! Gertie
