Wings of the Angels By Tim Chambers

A gentle wind blew cross the land Reaching out to take a hand For on the  
winds the angels came Calling out a mother's name.  
Left behind, the children's tears Loving memories of the years Of joy and love,  
a life well spent And now to God a mother's sent  
On angel's wings, a heavenly flight The journey home, towards the light To  
those who weep, a life is gone But in God's love, 'tis but the dawn.

“ May God Bless all of the Melton family, for when my mom Mary Catano, died in October without hesitation, you came to my families aid and gave her the funeral escort. For this I will be eternally grateful, and I'm sure both Mary's are looking down from heaven and watching over us. May God Bless You all in your time of grief.
