“ *Mary,*

Once again, what a joy it was to have known your mom and have been a part of her life. Though we have missed seeing her in recent months, I'll always remember her for the vibrant life and outgoing, friendly demeanor she showed each week, especially in her Bible study class. She loved those folks and they loved her back.

She will be missed by all.

May the Lord's presence continue to fill the void left in your hearts by her absence.
