“ *I worked for adult probation for my career. I talked on the phone so very many times with Mary she felt like a good friend. She was one of the sweetest ladies and always cheerful, unlike many I had to deal with. I am sorry for your loss. May sweet Mary rest in heaven.*

“ *I am so sorry to hear of Mary's passing. My prayers and condolences to Bill and all her family. We were friends in high school and I always tried to visit her when we were in Roswell. You will be missed my friend, but I know where you are and singing with the angels. I will see you there one day*

“ *My relationship with Mary began when we worked for the Department of Corrections. Mary was our go-to for all our questions. We began a phone friendship and Mary was always so kind and a great sense of humor. I remember when we first met in person - the laughs we shared. Mary will be missed. May the wonderful memories of Mary bring comfort and smiles. Please accept my condolences and may the comfort of God bring you strength.*
