“ *Ruth was my sister. What i can tell you about her is she was a good woman. I loved her with all my heart. I do miss her alot. Ruth had a hard life especially with illnesses. It seemed to me she was on recovery when she past. I know she is now in a better place. She accepted Jesus Christ as her lord and savior. That is vry comforting to me. I wish i could be with her. We never know what we have till we no longer have it. One day we shall meet again. Her spirit lives in me and with God.  
I have so many memories. Now there golden. I LOVE YOU RUTH ALWAYS.....*
