“ *Life in this world can be hard. Life in this world can bring tears and pain. Still every day I will say, "My life is not in vain." For God is not unrighteous, And he remembers the love I've shown. So he is ever near me; With Jehovah, I'm not alone. Yes, God is my provider and my protector down to the end. Yes Jehovah is my Father, My God and friend.*

“ Anthony...I cant imagine the pain that you and your family are going thru right now..but I do know that your mother loved you all so very much..she and I spoke on a daily basis and we had our long talks every now and then..and she always told me how special you guys were to her...she had me promise that I would always be there for you and love you unconditionally and that my love I will do...I found this poem and it reminded me so much of her..so this goes out to you, your Dad,Joey, Felipe and Sara..

When tomorrow starts without me, if the sun should rise and find your eyes all filled with tears for me, I wish so much you wouldn't cry, the way you did today, while thinking of the many things, we didn't get to say. I know how much you love me, as much as I love you, and each time that you think of me, I know you'll miss me, too. But when tomorrow starts without me, please try to understand, that an angel came and called my name, and took me by the hand. She said my place was ready, and that I'd have to leave behind, all those I dearly love. So when tomorrow starts without me, don't think we're far apart, for every time you think of me, I'm right here in your heart.

“ Mama, I miss u sooo very much, the pain n heartache left behind is something very hard to grasp!!!
U were everything to us u were our shoulder to cry on, our strength, counselor n the glue to our family. U will b very missed by all of us!!!
U were a friend, sister, wife and especially a good mom..
We will miss u dearly n always know that we will hold all of the memories very close n dear n our hearts.
I will never forget u mama. I never thought this would ever happen to u n I wish I could've been there more for u as u were always there for me n the kids. We will all miss u soooo very much n the pain deep n the heart will never go away.
It was my privilege to have u as my mama and friend. Jehova will always remember u always n know that u did win ur race. The thought of u being gone is what hurts us deep n the heart but knowing that ur not suffering anymore n that u were strong till the end in ur faith with Jehova is what can soothe the heart as well... I love you always my sweet n dear mama.
