“ *My love of Mary has been immense and grateful. She helped so much with my mother, Virginia Guthrie. The last time I saw her she did not recognize me and I suppose the strokes had something to do with that. I am a nurse and I last saw her as a patient in 2000. Manuel, I didn't realize you and Mary were still here. Sally, I remember taking you to school in Las Cruces. I had just assumed all of you were back in Colorado. Maret and I and our families send you our prayers and love. Love, Jena*
