“ *Ron John and Ramon, words can't express how we feel right now, Marylou was a fantastic wife, mother and friend. Ronnie would be so proud of how both of you have handled yourselves in this time of sorrow and how well you have come together in all of the arrangements you have made to honor your Mom. It goes to show that she raised two fantastic sons. We love you both and are so proud of you as well. May God continue giving you strength in coping with the loss of your beloved mother.*
