“ I met Matt while we both worked at Farmer's Country Market, he had the biggest brightest most contagious smile and laugh, we had a lot of fun at work, and occasionally listened to ICP afterwards. He made everyone around him a priority. He was well liked and thought of, largely admired and loved, and will be sorely missed and lovingly remembered. My thoughts and prayers are with Jackie, Tanya, Richard and all the rest of Matthew's family and friends.

“ *Dear Matt,*

I still can't believe you are gone. You were my best friend in the world, my baby brother, and sometimes my adversary, as most siblings are. You were always there when I needed a hug, and would often bring me a Powerade. No matter what, you always were there for me.

I watched you grow from a little boy to a man and I hardly could believe at times, how old you were. You took a part of me with you. Who's going to take me to Star Wars? Who's going to go with me places I don't want to go alone? We were supposed to do so many things and we all still need you, with us. Our family feels so empty without you. I feel so empty without you.

Rest my sweet brother. I'll always love you. You won't suffer any more from anything that bothers you and know that I will miss you every single moment of the rest of my life. I love you so much and I am trying so hard to understand why you had to go. I'll take of mom for you and will never forget you.

Rest in peace, Matthew James Capps.

“ *Matthew would come for Christmas at Tanya's grandpa's house. Matt was such a nice kid and so polite. We always had so much fun. I watched him grown into the same type of adult. He was always considered to be part of the family. I will miss him.* 🎈

“ *I was blessed to have you in my life. As my friend, as my brother. You know, I believe that everything happens for a reason. Good and the bad. And I have to have faith and trust in God right now. He had to have a reason to call you home. You will be someone's hero. Someone's light. Like you were in mine. Love you my friend.*

“ *Where to begin, a freckle face little boy at my brothers birthday party at the skating rink asked me to couple skate with him.. It was adorable.. He and Steven would prank call people and my mom overheard one of the calls.. Needless to say, they were using words that kids shouldn't use!! LOL.. Fast forward to 2010 when he drove all the way to Arizona to spend time with us after losing my dad to cancer.. What an awesome friend 💜 Then in 2013 he and Steven reconnected again and Matt spent countless hours taking care of my nephew while Steven was not on the right path.. He continued to help Steven and I was always greeted with a hug and a smile 💙 I'm incredibly heartbroken and I ache for your family.. Just know Jackie, you raised a sincere gentleman, a true selfless soul.. My prayers are continuing for you Jackie and you Tanya and your husband. This is a tragic loss and my deepest condolences for your whole family. Love Leah hickman 💙*

“ Sweet Mattie, I have not seen you in a while but it never occurred to me that I would never see your smile again. You were a great son to your mother and the best brother to Tanya. Rest in peace and be free with the Angels.

I'll never forget the day when Matt and Steven were being little boys!! Shortly after the 911 tragedy, they were in your back yard playing " let's get Osama bin laden! They were yelling things like, stop, or well shoot!! Put your hands up!! Well, your neighbors called the police thinking someone was going to be shot! The police came, guns drawn, yelling at these 2 little boys to drop their weapons!! Sticks were dropped!! I'm sure the police got a good laugh out of that one!! We were concerned though of what could have happened with guns drawn on 2 little boys!!
