“ Oh Mechelle, I will always cherish our memories together laughing and carrying on. You used to come to my house when we were teens and listen to music and laughed alot. Cruising on Main Street, we never had a dull moment. Now you are flying high in God's beautiful graces and watching over us all. Rest in peace my beautiful friend until we meet again.....love you always ❤️

“ *Mechelle took me under her wing in high school. I was so skinny and tiny. She would always wait to walk with me in the halls and she would tell me jokes and make me laugh. She was in my quince! We would laugh and I would tell her my secrets. She was such a good friend to me and my sister. I use to love her dimples. I would ask her, "how do you make your dimples so deep?" She would laugh at me with my silly questions/blonde moments. I can hear her laughing as I type this out! </3 Unfortunately, We became adults and lost touch. I never stopped thinking about you my friend and I would ask around how you were doing. I love you and will never forget the impression you have made in my life! I pray that you are dancing in heaven to our 80's rap music, and loving on your son, mom, and grandmother.*

Love, Jessie
