“ Mom, I miss U every day, they say it gets easier but in all reality it doesnt. I miss your singing in the morning and holding my hand when we walk through the mall. I love U and I think about you and dream about U often

“ *Melinda... I have many, many, memories of you, my beloved cousin. I want to take the time to express my sorrow & deepest condolences to the Family & Friends of Melinda Cobos. So sorry for your loss. Melli... The memories that sticks out the most for me, is the time when we entertained your parent's, Tia Minda & your Dad Mario. We performed our acting debut. We had your parent's laughing so hard! They were our awesome audience! LOL! We had so much fun!! Even our road trips, riding in the truck camper. We always had fun!! Miss those day's for sure! You will never be forgotten! My heart goes out to your children. May God wrap His arms around them & all your loved ones. The one thing that I'm always going to remember is your contagious laugh & beautiful smile. RIP you earned your wings. Precious Angel!! All My Love, Delma Reyes*

“ This is for surely an unexpected and at times unbearable loss.... I was raised by my grandmother and I truly thank God for him gracing me with the presence of my best friends mother. A woman who was so beautiful whom I remember looking at in awww because of her beautiful smile eyes face and of course hair! I will never forget your uplifting encouraging words and your beautiful spirit you have inspired me to be a super woman and I thank you for that I remember you always saying "were strong women and could do anything we put our minds too... I've always done a mans job " lol and of course "take care of my babiws Ashley" to be honest this is still unreal to me but I know it is so mom know that I'll take care of tour babies and that I love you with all my heart and know you'll watch over us all MUAH!!

a poem for you ...

Thank you Mother for all that you have done,
You took great care, of your daughters and son.
You loved us all from the very start,
with your warm, kind, and loving heart.
Thank you mother, for being strong,
While trying to teach us right from wrong.
If anytime, we had a problem,
you were there to help us solve them.
You'd lift us up, when we were feeling blue,
Thank you mother, for we could always count on you.
You were such- an awesome mother,
The love you showed was like no other.
Thank you mother- for your dear, sweet love,
Now you'll watch over us from heaven above.
Love always always and forever more !

“ Our condolences, prayers and thoughts go out to Melinda's family. I had the honor of meeting her and she was a wonderful lady. I met her through my husband, he and Melinda were co workers. I will forever remember the hug she gave to me when I made her home made banana nut bread. My heart is sad.
