

Michael Determan

October 2, 1974 - November 8, 2012

Michael W. Determan, Jr., 38, of Roswell, NM passed away on Thursday, November 8, 2012, in Roswell. Michael was born in Roswell, NM on October 2, 1974 to Victoria A. Spurrier and Michael W. Determan, Sr. both of Roswell. Michael was an active, bright child involved in soccer, football, and basketball. His Uncle Don and his Dad were instrumental in starting the youth soccer program at Russ DeKay field in Roswell. Michael loved science, winning numerous awards in school. He was an honor student graduating from Goddard High School in 1993. There he transformed into the persona "Mike D.". His family later gave him the alias "Little Pic".

After high school, Michael enlisted in the United States Marine Corps and completed his basic training at Camp Pendleton in San Diego, California. He completed his military training in administration and explosives at Cherry Point, North Carolina. While serving his country, Michael received a Rifle Marksman Badge, a National Defense Service Medal, three Letters of Appreciation, a Meritorious Mast, a Certificate of Commendation, a Good Conduct Medal, a Commandant of the Marine Corps Letter of Recognition, and a Sea Service Deployment Ribbon. Michael loved his country and was proud to serve as a Marine. He was stationed in San Diego, California and Okinawa, Japan during his military career and was honorably discharged in 1997. On July 2, 1994, Michael married Nina Grado of Roswell. To this union was born Erik Alexander Determan on May 2, 1995. Erik was the light of Michael's life and his purpose for being. Michael was both a wonderful father

and a best friend to his son. Erik survives him in Omaha, Nebraska, where he is a senior at Bellevue High School.

After Michael's service to this great country that he loved deeply, he lived in Perrysburg, Ohio briefly then moved back to New Mexico. He lived in Roswell for a time then moved to Albuquerque where he worked for Holly Corporation as a mill operator.

From there Michael began his career as a college student, determined to complete his education despite being a "non-traditional" student. His determination was evident as he commuted from Roswell to Portales every day for a year to attend Eastern New Mexico University, majoring in Archaeology. His fortitude was unmistakable as he sacrificed by living in a tent at Oasis State Park and commuted into town 21 miles one way each day. He did upgrade to a travel trailer but still commuted daily from the State Park. Michael graduated with his Associates Degree in 2008 and completed his Bachelor's Degree in 2010. He was accepted into the Masters Program in the Fall of 2011. He worked on several digs near Portales and was excited about his new passion, learning about the past through anthropology.

Michael was a loving, kind soul who cared deeply for his family and friends. You could always count on him for a loving smile and a huge hug. He was the life of the party, wherever he was! Michael was an avid connoisseur of great music, TOOL or anything Maynard! He loved reading, gaming, and spending time with family and friends. He loved and hated golf, as any golfer will understand. He loved hunting, especially with his dad, son and uncles. He loved World of Warcraft, Halo, and Rock Band and spent many hours in pursuit of the perfect game.

Michael was preceded in death by his maternal grandparents Fines and Eva Spurrier, paternal grandparents Franklin A. and Lillie M. Determan, two uncles Jack Spurrier and Dee Spurrier and one cousin, T.J. Jordan.

Michael was very fortunate to have a large loving family. They cherished him deeply and he cherished them.

He is survived by his mother Victoria A. Spurrier, father Michael W. Determan,

Sr., son Erik A. Determan, his loving canine companion, Lex; aunts Sheila Jordan, Lorie Kindrick, Cindy Callihan (Ken), Victoria Lusk (Joe Blood), and Sandra Heath (Kent); uncles Rick Spurrier (Linda), Jerry Spurrier, Franklin A. “ I have so many wonderful memories of my special nephew! It has been eleven years since your death, and you are missed everyday. Michael, my daughter Becky, and I went on an adventure to Disneyland in California. We hopped fences with our bags because I parked so far away from the airport terminal! We ran wild through Disneyland park, rode every ride more than once, and didn't stop until we dropped. He came to several Diablo baseball games with us. One time we all thought it would be funny to suck the helium out of balloons and talk like Mickey. Well Michael took it to the extreme and sucked one to many times; he fell like a rock completely passed out. It was quite a scare. Once he woke up, he was like "what's up peeps?" ... Even now as I look at his sweet face and beautiful smile, I remember Michael as the happiest and most loving boy. I know you are holding our place in heaven sweet nephew, but we miss you dearly everyday. Sending you my love sweet Miguel /// Bye for now until we meet again in eternity. Love always Aunt Sam

“ I remember back in the day Me and Mike, Dale and Karl used to hang around. I also remmeber playing soccer with Mike and his dad coaching. The one time that sticks out in my mind was when he tried to do a bike kick and ended up doing it but said never again because he felt the worst pain. I also remember me and my dad playing against him and his dad every Sunday at my house and boy would we have some good battles and times. I also remembering when we would go hang out every weekend and would play basketball in the Gus Macker. he was an awesome invidual and has a great family that has always supported him. The Determan family always did a lot for me when I was playing soccer with them...Truly a Blessing is what they are and will always be...My Love goes out to Mike and Vickie, I will always be there for you like a son if at all you ever need me let me know... You guys always supported our team in soccer and we had fun a success in the process...

“ Vicky what a tribute to Michael's life a man is remembered by the difference he made in the lives of others and although we were neighbors I am saddened that I did not know him better. I watched as he grew and became a man, and it was an honor to have taught his son Erik in my Preschool. His absence will cause you grief but his time in this world as your son will leave lasting memories that will forever live in your heart.
