“ For My brother Pickle: A good brother will stand with you, through anything, right or wrong. A good brother will straight up tell you when you are messing up. A good brother will get mad at you but eventually lighten up, move on, and forgive you. A good brother will defend and protect you to the end of the line. Gods priceless gift to a sister is a good brother. Pickle was, is, and always be my priceless gift from God .. MY GOOD BROTHER.
