“ I have been gone and was just going thru my old papers and saw where Michael had passed on. He and Rikki were always very special kids at VV. I have several memories of Michael---one time he cut his knee (I think, may have been another part of his leg) and had to have stitches and I saw him at the doctor's office. I always teased him about it. Then, when he was in the upper grades and the cold made it hard for him to breathe and he would come in so blue---I asked him to come to my room but he was "macho" enough he didn't need to do that. He was one special guy. Our world has lost someone very dear. I am so sorry. I remember all of you with a great deal of affection. Frankie Lacer, retired teacher from Valley View.

“ I want to tell you how sorry I am to hear of your dear Michael's passing. He was a student here at Valley View and he always had a sweet smile to share with you. He grew up and I would see him when I would go into KFC to get something to eat and once again he always had that kind smile to share with me and many others. I am so glad that I had the opportunity to know him. May God give you the peace you need during this difficult time. God Bless! Mrs. Marsha, Librarian at VV

“ Please accept my deepest sympathy. Michael held a special place in the hearts of many, including the hearts of my daughter Joan and granddaughters Brittany and Danica; and will continue to do so. I will miss not seeing him and waving to him when I stop by to see Joan and the girls. His friendship and love made a difference in many people's lives. His life on earth seemed brief but his enormous gift of love will last forever. I hope that knowing he is now in your future will help to ease the pain you are going through. May God comfort and strengthen you. May God Bless and Keep you. Donna

“ I've known Michael since the 7th grade. We actually were the last two people picked for the football team. He became the team manager and I sat on the bench. We became good friends all through high school. One thing I do remember is that he had a big heart. He will truly be missed. My condolences go out to the family.

“ My deepest sympathy goes out to Michaels children, his wife, and his parents. I met Michael in the 9th grade at Roswell High. He was such a great person to be around. I don't think I remember a time when he didn't have a smile on his face! He had such a positive spirit. He was such a great person; always making jokes and he'd give me a hug every time he saw me. I wish that it hadn't been so long since I saw him last but his memory will be forever in my heart. You will be greatly missed by EVERYONE Michael, but NEVER forgotten.

“ I didn't realize that I knew Michael Joe until I saw his photo in the newspaper and that he was Josie Sedillo's grandson. My condolences to his wife and children and extended family.

“ When we were growing up Michael didn't care what he had to do to make us all laugh, Kevin would be on the side dressed up as the next door neighbor Annie and Michel would be trying to get everyone attention so that we all could get a good laugh, being around those two you never knew what your day was going to be like. I feel it an honor and such a privillage that I got to live a couple houses down from Michel, And got to be a part of his wonderful childhood. Good bless, My deepest sympathie, The Anderson Family.

“ I dont know how to express the way Michael made me feel.. It hurts so much that he is no longer here. I am truley deeply sorry and this goes out to the whole family. I knew Michael since the 9th grade at Roswell High, we even went to homecoming together,it was actually just the football game cause he could only go to the game and I cant even remember why. But I had lots of fun he was so sweet and he has always been a gentlmen and a sweetheart.I loved Michael with all my heart we even dated there for a while our freshman year, and it was so funny we had to sneak around during our relationship because I was not allowed to have a boyfriend but we would hang out at school and I would call him on the phone once in a while when my parents were not at home. I ended up meeting his little sister and everything, but he was always a joy to be around I will miss him greatly, the only thing I regret is not being around him more. He would always make me laugh so much it would hurt my stomach. I will miss him greatly.He will always be in our hearts.

“ Dear Sandy and Rikki, I am SO sorry to hear about Michael. My heart goes out to the both of you as well as your family. Michael was a sweet person. He always seemed so full of smiles and laughter. I truly am sorry for your loss. It seems like God blesses us with many angels in our lives, but once their work is done here on Earth he calls them back home. I always think that when God does call them home He must have had a HUGE job for him/her to do in heaven. One that neither you, me, nor anyone else could have done. I pray for your strength as you cope with this tragedy. You are in my thoughts and prayers. Mom and dad also send their sympathies. Take care.
