“ *Well Dad I dint know I can even write you something on here until a very special person showed me hers to her dad... I'm so sorry for everything and I miss you more and more as time goes by. You are my everything and I would give anything just to talk to you again just to here you laugh and rap "sun is beaten down on my baseball cap" you were my only happiness and I'm getting older trying to prove your Hummel name right. I got my boys back Daddy their so big and love their Papa so much I was doing laundry and Gabriel had a picture of you holding him as a newborn in his short pockets, I wish they got to spend more time with youbut they remember a lot even riding the little 4 wheeler on Kentucky like it was yesterday... I'll probably write you more on here now that I know its here... I love you Dad.... Sara*
