“ *Mike, my sister Colette, Allie & I went to Midnight Mass in 1968 or 69. We went to Dennys for breakfast after Mass and we're sitting there enjoying our visit when a big policeman asked us why we were out after curfew. Mike took charge and explained we had just left Mass and enjoying a little visit before going home. The officer tried to get us to leave but Mike planted his feet he said we were doing no wrong and it was Christmas. The policeman agreed and told us to get home right after breakfast. I also remember Mike coming to our house in that cool Camaro I believe it was green and about a 1968 model. Wish Mike and I had stayed in touch through the years but he is in good hands now. May God save your soul Mike and may God bless your family with comfort. Say hi to your mom and dad for me.*
