

Michael Leon Robertson

February 11, 1957 - December 9, 2014

A service for Michael Leon Robertson, 57, of Alamogordo NM, will be held at Anderson Bethany Chapel in Roswell NM, Sunday December 21, 2014 at 2:00 pm. There will be no graveside service. Michael went to heaven December 9, 2014 near Carrizozo, NM.

Michael was known by many as Cowboy or Uncle Cowboy. He was born February 11, 1957 in Roswell, NM to Marion (Robbie) Robertson and Patsy Robertson. He worked for CCI in Alamogordo, NM, but he was a jack of many trades. There wasn't much he couldn't do or couldn't fix. He was also a volunteer firefighter. For many years, he earned his living as a truck driver. He took the time to teach a very special man, Ralph Fairbanks of Henderson, NV, how to drive a truck so that he could obtain a CDL. For that, Ralph has always been grateful and how he supported his family for over 30 years, thanks to Michael.

Michael is survived by a large, loving family that will deeply miss him. His sons, Randy Robertson and his wife Leslie of Roswell, NM, Mike Robertson and his wife Hannah of Roswell NM, Eric Kilgore of Albuquerque, NM, Dustin Robertson of Loveland, CO, and Clayton Cagle and his wife Amber of Marion, Ohio. His siblings, Kay Manning and her husband Rick of Albuquerque, NM, Debbie Coker of Roswell, NM, Terri Newburn and her husband Ronald of Casper, WY, Jerry Robertson and his wife Judy of Oklahoma, and Teena

Shelton and her husband Les of Roswell, NM. His grandchildren, as wonderful as they come, Riley Robertson, Lindsey Robertson, Sariya Robertson, Demi Robertson, Jonah Kennon, and Kameron Kennon. He also has numerous nieces and nephews, aunts and uncles, and cousins.

Michael was preceded in death by his parents Robbie and Patsy Robertson. Also by his grandparents Charlie and Cleo Clements and Willie and Lillie Robertson.

“ Dear Michael Robertson Family and Friends

I Pastor Don Hoffman was blessed to have Michael in my life as all of you have. We met at the Freedom House in Alamogordo where we had many experiences together sharing the Word of God and life experiences. I gave him a bible so he could continue to read and stay in the Spirit which he did. When he finished the program he would either call or stop by often to share with me what he was doing and how thankful that God was in his life daily! With a smile of course!

Everyone he encountered he became friends with, Everyone! He was always willing to help someone in need even before they asked him. He's that man that God sent as his humble and loyal servant. First one in to help and the last one to leave once the job was finished.

Michael (Cowboy) never complained about anything or anyone, he always took the positive approach to life seeing everyone as a kind loving person, He saw or made that person feel good about them self.

He would tell me how much he loved his children and prayed for them. He told me how much He loved his job working for CCI, the owner Mr. Jim Howard his son, and foreman Tim and the rest of the men and women that work there.

I wish I could be here in person but I am with you in Spirit just as Michael is and always will be with us until we see him again!

Remember this is temporary, but heaven and our brother will live on forever!

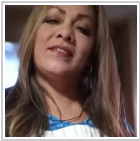

God Bless Pastor Don

“ Cowboy has always been a bright light in my life. When things would get bad some how he knew and he was there for me. He would tell me "don't worry old Cowboy's here" He was kind generous and a true loyal friend. His greatest joy in life was "his boys" he was so proud of the young men they grew up to be. I love you Mike.

“ I remember he use to pay me and my Aunt Teena when we were little to clean his house because we were good at it. We had the best teachers, Grandma Robertson and my mama Kay. We made a lot of fun out cleaning for him. I remember all the out dated sweets he shared with all our family and what he couldn't give away, we slopped the pigs with it. He was the most ornery man I knew but it was always in a playful way. The last time I saw him was three years ago. He came to Roswell to my house because my mama wanted to see him. It was weird because he drove all that way from alamogordo and only stayed about 30 minutes. I never knew how grateful I would be for those 30 minutes until now. I love you Uncle Michael. I'm sorry this happened.
