On May 10, 1957, Michele was born to Arthur and Janet Farley in Flint, Michigan. She graduated from high school and pursued her education and later obtained her Bachelor's in accounting. Upon graduating from college, Michele began to work as an accountant and continued for many years. She dedicated herself to helping the Red Cross, doing dog foster care, and Pet Rescue (from Forgotten to Forever). Michele painted Paws for Veterans. Her favorite hockey team was the Detroit Red Wings. Michele's most memorable moments were when she would take her dogs to the dog park and the times she spent with her family. She loved listening to Rock and Roll music.

Michele was most well-known for one thing, her heart. All who knew her immediately mentioned this, from her fierce love and devotion to her family, to her work to fostering sick and abandoned animals. Michele had a smile and a kind word for everyone. She was blessed with a selfless nature, only ever

asking what she could do for others. Michele dedicated herself to one simple yet powerful thing, love.
