“ *I want to say that I meet Michelle Berryhill at Community Bible Study and to say she was the sweetest person I have ever meet. I meet her through her sister Sharon Howerton. When you put them two together, they were the neatest sisters I have ever meet. I want to say may God be with you all and all of you are in my heart and prayers, Debbie Mills.*

“ Charles....I remember times when we worked together and visited. I always thought you and Michelle had such a wonderful love for one another, and could be held as an example of what a marriage should be. I remember her fondly. What a precious character she could be! I lost my dad Saturday, and found you here with me. God bless and keep you strong, as we know He will.  
I hope to visit with you again.
