

Michelle Marie "Shell" Horton

October 31, 1991 - September 10, 2023

Michelle "Shell" Horton, 31, was accepted into heaven by our Lord and Savior Jesus Christ on Sunday, September 10, 2023. Please take a moment to share a kind thought or memory with Michelle's family at www.andersonbethany.com.

On October 31, 1991, Michelle was born to Nancy Aragon and Larry Horton. Michelle was a cheerleading coach and attended St John's Catholic Church. She was a Scorpio who loved the phases of the moon, the zodiac, and the alignment of the stars. Michelle will be greatly missed by her family and friends.

In Memory of Michelle, you're welcome to wear a Raiders jersey, black, or grey T-shirt because the Las Vegas Raiders were her favorite football team and she loved watching Sunday morning, Sunday night and Monday night Football along with the NFL Draft she was an avid Football fan and not only cheered and watched the game but new the game very well.

Michelle's tribute was lovingly written by her family.

In shadows deep, life's final breath, a journey ends, a soul takes rest. Memoires linger, love remains, in hearts and minds, eternal flames. Just like your favorite colors, black and grey is all I see during the days. During holidays was your most dearest, you showed all your love and interest. Your

spirit is deep and strong but now that you're gone it seems to carry on. You are loved by many and forever will be, but now let's let your soul be free.

Missing you so much you left us broken-hearted not knowing what to do, but now we find such comfort in memoires of you. The legacy you left us was of happiness and love, and that shines on forever from the glorious skies above. You brought joy and beauty from the moment of your birth, now in Heaven you're an angel, just as you were on earth.

A special thank you to Anderson Bethany Funeral Home and Crematory, and to everyone for all their support, time and donations. Everyone is invited to the Fraternal Order of the Eagles at 3201 S. Sunset Ave, Roswell, NM, once services have concluded.

“ My condolences and prayers have been with Michelle’s family since I heard the news. She was an amazing high school friend and even though we parted ways after high school, we would see each other in town and it always seemed like not a day went past. Michelle was a kind hearted person. Never to judge and always there to help. She was a great loving mother and loved every moment with her family. Highs and lows she always saw the good in others. Her spirit and love will live on.
My deepest condolences to her loved ones.

“ I will always remember it being us two moms cheering our boys on at the football fields and being in everyone's way as we were both running up and down the sidelines. You will forever be missed by many, always brightening up the room you walked in. Even seeing you at Zales you always had a smile on your face, never a dull moment with you. Praying for your babies and your family in this time. You will be very well missed Michelle. But I will forever cherish our laughs at games and practices. Rest in Paradise.

“ My deepest condolences to Michelle's beautiful family. Words cannot express how much we miss her. She went to work for the school district and for my school which was Berrendo Elementary five years ago. She wanted a secretary position but none were available. She subbed for us temporarily but she was so good that they ended up offering her a permanent sub position. My Principal was relocated to Mountain View and she asked us not to leave her there at BES. As soon as we had a sub position for her she came with us to our new school. She had planned on being our secretary after Ms. Tammy, one of secretaries, retired. She was so looking forward to it. She was perfect. Is perfect. I am happy she took so many pictures. She was so photogenic. A beautiful girl should have beautiful pictures. Her pictures are a blessing and her videos more so. Her laugh is something we should all remember. Thank you to her close friends for posting those. It was a pleasure to hear her laugh. I hope in my heart of hearts that she is super happy in Heaven and that she gets to watch her team win in Heaven every Sunday...because in her Heaven her team will win for her every Sunday. Love you beautiful. I am blessed to have known you. Kisses from earth beautiful.

Miss your memes on fb ur pictures you post and all the craziness. Just thankful that God had us cross paths together, never will I forget you and the talks we had, or the funny Lil things that happened to you and you would share em with me, member that one time it rained and you were like man I hope I don't slip in that mud and you carefully walked in it and fell, I wanted to laugh but held it till you laughed first then we both were laughing so hard. Memories like that I will always remember of you. ❤️❤️❤️
