“ *Dear Jan and Jenise,  
May the cherished memories of your father live forever in your heart  
and as time passes, he will still seem very close to you.*

*I'm writing to you on behalf of my mother, Mary Ann Sparkman  
(Harvey, deceased) and myself, Linda Sparkman Hutchens,  
daughter.*

*In November when I was home from Phoenix , Mom and I went to  
see Mike. He seemed well and happy. He spoke of each of you and  
looked forward to your next visit. Both of you we're good daughters  
and always helpful to him. He will surely be missed by all who knew  
him.*

*We are thinking of you with sympathy and love at this sad time.  
Sincerely,  
Mary Ann and Linda*

“ Uncle Mike,  
We will miss you so. You're the only one I said I love you to in the male population. I always put my life around you. The world is missing a great man, and I will say it again I LOVE YOU see you on the other side of Jordan.

Oh Steve, daddy loved you, too. I had never seen him drive 1000 miles alone before just to see someone for a weekend! And to think he did it when he was 90! We all will miss him so much. Hope to see you sometime soon; I plan to visit Joyce and Jon while they're in ShowLow this summer. Maybe we can meet there. Thank you and Jenny for writing
