

Minnie Bartlett

March 31, 1925 - May 17, 2025

Minnie Bartlett has gone to heaven to be with her family and with God. She was the only surviving member of her immediate family, survived only by grandchildren, great grandchildren, nieces, nephews, and her caregiver. As heaven welcomed her with open arms, we are certain there was a family celebration on the other side. Minnie lived 100 years on this earth in service and in faith. She brought Light and Love into this world, and her presence will be missed. A poem celebrating the life and commemorating the passing of Minnie was written, and we thought it fitting to include it here.

A century of ceremony, a matriarch taught mountains to hold family
Rivers with heartstrings.

We learned that Love was a tradition of creaky floorboards and stories about
planting roots and strong earth. Like her, the richness of strength is in the
pulse of long breaths.

She stood against a torrent of harshness, made blisters turn to family.
Kitchen light tradition.

Today we speak her name, Minnie, as a cultivation of Love and Might.

And wonder if tomorrow will be a harvest of Love, when we lost so much soil.

But what she left is that we carry burden with Grace and Service

Because we must speak her truth.
