“ *My condolences to all the family for your loss. I stayed with Aunt Evelyn and family in the late 1960's when I was a teenager, when my Mother was at work. I sort of considered Aunt Evelyn my 2nd Mother.*

“ *Dearest cousins, Carolene, Arnold Dell, Macie, and children, my sympathies for the loss of your Mother, it is truly the passing of an era for our Hood line. As far back as I can remember we Adams kids have been welcome to visit, to play and/or spend the night with Aunt Evelyn and family. Aunt Evelyn gave my wedding shower in 1960 and attended my wedding with Macie. May the memories comfort you along with the assurance you will see her again.*

“ We are so sorry to hear of your loss.
After knowing Molly for just a short time, I am sure Molly is in a much better place walking hand in hand down streets of gold with God himself.
After having first contacted Aunt Molly 4 years ago my wife and I have had the privledge of visiting with her on two different occasions. From the first time I spoke with her on the phone she found a special place in my heart. After traveling from Oklahoma to Roswell just to meet her, I was completely amazed by her. At 89 & 90 years old her memory and stories were fascinating and surprisingly detailed. I regret not having had the opportunity to visit with her more often.
May 22,2006 my daughter Christina passed away at 20 years old, and I personally am comforted by the thought that two very special ladies in my life are together in a place where there are no more sorrows and no more tears. Molly told me of a little house she always wanted to see inside of, she described it as being just down a country road in the State of Oklahoma. I wonder how that stacks up against the mansion God has prepared for her down the street of Gold in a state of Grace known as Heaven. I love you Aunt Molly and Ill see you again.
