“ I recently saw Renee and was surprised at the announcement in the paper. I met her as a student at Mt. View and she was one of my choir students. She had a great attitude and spirit and was always so pleasant. My sincere sympathies to all the family and friends. Sincerely, Martha Hall

“ I have known Renee for a long time, we were so close, she was one of those friends you never want to let go of. We were always around each other. I regret that we grew apart. Everyday I always told myself that I was going to call her and tell her how sorry I was that I let our friendship fall apart and if we could become friends again. I missed her so much and everyday I thought about her. But I thought she would be around forever and I would have time to say that. I will miss her soooo much and I'm so sorry. I learned that you never ever take anyone for granted, especially the ones you love. I will always miss her and love her.
May God be with her family and my prayers are with them.

“ I met Renee while working at the College house. She was friendly, easy going and devoted to her consumers. They were not her "job" they were her family. She was more of a friend than a supervisor. She was one of the sweetest, kindest people I ever met. I will miss her and her crazy text messages. (I think I'll keep her number on my phone.) The world is a little sadder without her in it. Bye Renee, love you, miss you.

“ I met Renee 5 1/2 years ago at the "College House." Little did I know how much that meeting would change my life. On days when Renee would work I never would get home on time. It was like going to see my extending family. It was always welcoming and peaceful. Renee was a wonderful cook & baker and fed me on many occasions. It was a guarantee that I would get her famous brownies on my birthday. My heart goes out to her family, especially Irrianna, Juan, Dominic, Nathaniel & Noah. She referred to them as "her" children and treated them as such. I truly feel God takes the best first and that was what he was doing when he took Renee. I know in my heart she is already in heaven and watching over all of us. Renee you are missed and loved, but will never be forgotten.
