“ Renee and I go way back to our RHS and Peter Piper Pizza Days. Most of our good times were when we were zooming around town at 100 miles an hour in her little Honda Civic, trying to make it to work on time (PPP) to include all the pitstops between home and there..... She was a good friend. I know she is smiling down now remembering the 'good ole days'. My prayers go out to the entire family in their time of need. May God continue to comfort your family and blanket you all with his love. God Bless

“ Renee where to begin, you were such a blessing to my family and I. It is so hard to believe you are gone. You showed me what a true fighter and a person of God is. No matter what trials or tribulations came before you, you picked yourself up and kept right on moving. There is not too many times in life you encounter a person like you. But it seems we only enjoyed you for a short time and you were taken from us. We will always have you in our hearts so that when I come upon a difficult situation in my life I will be able to look deep in my heart and remember I can do this I have part of my Aunt Nays heart. Danny and Gumby if you two ever need anything we will always be here for you. God Bless You and keep you safe.

“ Nae Nae, I will miss you so so much. Memories flood my mind of our many great times. Times we laughed and danced all night and some when we cried all night long! The times when it was just you, Dawn, me and Savannah. The way you'd call me "Ber-Rabbit" or "Lil Mama." The picture of your beautiful smile. The way you looked everytime you'd see Gumby, your #1, just so happy. Then, the way you looked when you married Danny. More happiness. I knew between Gumby and Danny you would always be taken care of, and you were. I know they love you so much. All these memories I will hold forever in my heart. And though it hurts, what comforts me is knowing that you are safe in HIS arms. No more pain, no more tears. Love you. Until we meet again... Danny, Gumby; May you feel God's loving arms wrapped around you so tightly, and may He comfort you through this difficult time. May He help you keep your family and your faith strong. Love you all and am here if you need anything at all.
