“ *To The Romero Family: Our deepest condolences. We were saddened to read about the passing of one of your loved ones. All I could picture was the cutest little face I'd ever seen those 36-37 years ago when I went over with Angie the first time. You know I can still see her that way. It is truly sad that we find ourselves always in a hurry or too busy with life in general, that we lose touch with friendships and such because that's the only age I can remember Monica! She was such a sweet girl and I'm sure she was as sweet and as kind as a woman, wife, mother, and grandmother. Our hearts, prayers, support, and deepest sympathy are with you and if there is anything we can do for you, in behalf of Dick and Josie Montoya's Family and Montoya-Smolky Family, please let us know.*

“ Dear Romero Family, We the Hunter family are so sorry to learn about the passing of one of your loved ones. Being from a big family also, the lost of a family member can bring a strain on those left behind. We have gone through this type of lost twice. The passing of our youngest brother, danelle and oldest sister Betty. Jesus Christ is our source of strength during the loss as everyday there after. Our families go back a long ways and when you all are hurting, we are hurting. We will always considered all of you very special to our family. Yours in Christ, The Hunter Family
