“ *I am so thankful that both Grandma & Grandpa have been released from their pain. They are healthy and whole again in the presence of God. We should all be so lucky. Hope the dancing is smooth on the clouds!*

“ *As hard as it is to think of this physical world without Aunt Myra & Uncle Jack in it, I'm so very happy that they are now together & that Aunt Myra is free of the prison of her mind. My childhood was shaped by the love & kindness that your mom & dad so freely shared with us. They provided the magic of farming & ranching, of Itsy & Bitsy, Christy, the warmth of coal fires, infamous chili & sopapillas, and so many delightful farm vacation memories. And they provided the fun friendship of their children, and I treasure each & every one of you, my cousins, along with your families. Again, I won't be able to attend her services however my love will be with her, Uncle Jack & each & every one of you. Love, Phyll Hurley*

“ I was very saddened to learn of Myra's passing. I so enjoyed visiting with her when I went to visit Mrs. Montes. Although I never heard her sing, just by her lovely humming I knew she must have had an incredible voice. There were even occasions that we danced a polka, jitterbug and even a waltz. Know that Myra is very happy with Mr. Graves and other family members. Now we wait for the time when we can again join them with song and dance. My thoughts and prayers are with you and your family. God Bless You, Frank
