

Myrna B. Campos

July 4, 1968 - May 10, 2023

Myrna Campos, 53, of Roswell, NM, passed away May 9, 2023, with family by her side.

On July 4th, 1968, Myrna was born in Juarez, Mexico to Rudolfo and Rosa Chairez. Her younger years were spent in Roswell, where she met the love of her life. Myrna and Victor Campos married on April 15, 1987 and officially began their greatest adventure of life together.

Myrna was a dedicated wife and mother first and foremost. She treasured her children and husband and embraced every moment together as a family. She especially loved her role as "MiMi" and lived to spoil her grandbabies. Her love for all things glitter and bling were like a metaphor for her sparkling personality and she always made people around her laugh and feel welcome. Dancing with her sweetheart was one of her most favorite things to do. She enjoyed family parties and was famous for her delicious salsa. She loved to travel anywhere and everywhere with family and was always there for those when they needed her most. Myrna taught her two daughters what it meant to be a great mother and helped them both tremendously when each of her grandbabies were born. Her love for her "sunshine" was immeasurable. She could be heard cheering on her kids and grandkids as they played sports and danced and supported everything they did. She beamed with pride over the accomplishments each of her three children achieved and always appreciated

the hard work and dedication of her husband in being an amazing provider. Her laugh was always loud and genuine and her love for her family was all encompassing.

Myrna is survived by her husband Victor Campos; daughter Myrna Crystal Martinez and husband Josh Martinez, daughter Desirae McMaster and husband Austin McMaster, and son Victor Campos; Grandchildren Jonah Martinez, Luna Martinez, Riley McMaster, Elliott McMaster, and Taylor McMaster; father Rodolfo Chairez; siblings Rudy Chairez, Rosa Meredith, Nora Torres, Maribel Stone, and Maira Chairez; and many nieces, nephews, and extended family.

Myrna is preceded in death by her mother Rosa Chairez and many other loved ones.

She will be greatly missed by all who had the pleasure of truly getting to know her but her legacy of love, loyalty and family will live on. Myrna taught us how to be brave and persevere, no matter what life may throw our way.

“ My deepest condolences to all of Myrna’s family. I don’t even know where to start...Myrna you were always so sweet and kind to me and my family. We’ve known each other’s family for many many years. You babysat my son for awhile while I worked and you always took the best care of him...you would make me and Rosa some delicious food on our lunch breaks...that was the best food I had ever had...that’s when I had to have your Mexican Macaroni all the time because it was so delicious...any time I would ask for it you would make it for me. On Facebook one day I was sick and I posted that I wished my mama was here to make me some homemade chicken soup and a few hours later you were at my door with a big pot for us to have...we would always check in from time to time but running into you was always the best...and it was always at Target...the last time I saw you you mentioned the next time Rosa and I went out for breakfast to let you know so you could join in as we always had the best conversations and we could talk forever... I’m sorry we didn’t get that chance...my heartaches for your entire family...you will be missed so much...thank you for the many years of friendship and for always making me feel like family...I love you Myrna...may you Rest In Peace 🙏

“ I remember when I talked Myrna into taking a spin class with me at the gym. After the class, she could barely walk! We suffered together, but finished the class. She was a wonderful mother and wife and friend. Love you Myrna...Until we meet again.

Love,

Belinda
