Poem of Life Life is but a stopping place, A pause in what's to be, A resting place along the road, to sweet eternity. We all have different journeys, Different paths along the way, We all have were meant to learn some things, But never meant to stay... Our destination is a place, Far greater than we know. For some the journey's quicker, For some the journey's slow. And when the journey finally ends, We'll claim a great reward, And find an ever lasting peace, Together with the Lord.

“ *May you find peace and comfort in the memories you will always cherish. Know that my heart goes out to you in this sad time. She was a great mother-in-law to me, always kind, loving and thoughtful. I too, will always cherish the memories of the times I spent with her.*
