“ To Nancys family. First let me say as much as we miss our loved ones, there is peace for them when they no longer suffer. My mother Faye Martin and Sis Parks were great friends as kids too. When my mother moved to California and years later returned to Espanola with a family, Nancy, Susie and Donald were almost the first kids I meet. Nancy and I went to school together and played together on many occasions. I'm going to tattle in Donald, ha, one time we were playing at the Henry home Donald "accidentally" shot me in my big tow with his b b gun. Nancy went running in the house telling on him. Do you remember Donald? I always loved Nancy and thought about her many times over the years. Thanks to Facebook we did become reacquainted. Rest In Peace Nancy, till we meet again.
