“ *Nannie was a very sweet lady. We enjoyed having her as our neighbor when she lived with Ron in Aiken, S.C. She frequently complimented us on our flowers and garden. It was a treat to share some of our vegetables with her and Ron. We offer our heartfelt condolences to all the family. Our thoughts and prayers are with each of you.*

“ *She stayed in our home on visits with her grandchildren. She was a lovely woman who had to stay busy. She was in her 80's then and I could barely keep her from trying to clean my whole house lol. She didn't want to be a burden to anyone and was so generous and giving. In a world full of takers, She was a breath of fresh air. Her presence will be missed. Her special generation is passing and I was honored to know her.*
