“ *My heart breaks knowing that Sue is no longer with us. Although I am sure she is elated to be with Dave again after so many years. I love Miss Sue so so much and I am deeply sorry that I missed her funeral. If I had known, I would have been there. I have only known her for the past 4 years or so but she definitely made a permanent impact on my life and I am blessed to have called her my friend! I love you Sue! ;)*

“ When I think of Sue, I see a smiling face and hear a sweet voice. She would cry with appreciation over the smallest, most insignificant gifts - Snoopy was her hero cartoon dog! As we grew older and I moved away we didn't stay in touch as often. I'm so happy that I stopped by to pick her up a few years ago when I was back in NM for a family reunion. She went with me to my reunion and just as I remembered her, she was all smiles and good conversation. In the past few months, I would call her and we talked about old times. She laughed when I mentioned her dog, Toad Frog. We talked about many hours we spent playing rummy cards or 42 domino games. But the conversation always led to our favorite Christian songs and how good God is. I can only imagine how happy Sue is today, standing in the presence of our Savior, Jesus Christ. I love you, sweet lady and I will see you again. And when that day comes, we'll never ever have to say good-bye.
