Neil Thomas Wentland was born on September 19, 1963, in St. Joseph, Michigan, to Anne and Nelson Wentland. As a child, baseball quickly became "life." Tom, as everyone called him, excelled in sports; spending his summers playing Cape League baseball and his off-seasons on the cranberry bogs.

Tom met the true love of his life, Christi Graham, the summer of 1987. Shortly after, they married and began their life together in Roswell, raising three handsome boys and their beautiful daughter.

Tom enjoyed coaching baseball and impacted many young lives. Seeing his "kids," years later, and being called "Coach" was one of his favorite things. His legacy will always remain within the children he and his wife raised, as well as his baseball children.

Tom is survived by his children; Skye, Christian, Cole, and Christine Wentland.
This obituary tribute was lovingly written by Tom's family.

“ *To the Wentland and Graham families,*

Our hearts are heavy hearing of Tom's passing but we find comfort knowing that he is now reunited with Christi. Our families have shared parallel paths and intersected at various points. It all began with Sam and Eric hanging out with the Bettys at UNM and meeting Tom. Then Tom and Eric worked for my parents at the same time Sam did. Finally, and most poignantly, my dad received his cancer diagnosis on the eve of Christi's funeral, forcing Sam and I to cancel our trip down to Roswell.

We have always enjoyed a unique bond with your families and please know that we here for you. May God continue to grace your families with love and faith during this difficult time. May the happy memories of Tom and Chrisi continue to provide you with comfort and laughter.

“ Meeting Tom a few years ago was one that I will never Forget. I living in NY and he there in New Mexico. Our time was very special. When I flew there for the first time to meet him he was very special. We had alot of laughs... and they always continued we had great conversations about life and family. Spending time with his family when I was there was fantastic. My heart is very saddened. He always texted me good morning sunshine. and I would say good morning...than a few days ago it stopped. Never in my dreams I would of thought he is gone that I will never get a txted from him and talk with him. I will always have my memories of our times together there at his house and up at the lake. Always treasure them.

Love you Tom, my best friend we would always say to each other and I will still say it.

Love to Bean, Skye, Cole and Christian.

“ *Tom was a hard-working, devoted, loving father and man. Nothing made him happier than serving and pleasing his loved ones and friends (except maybe "cracking them up"!)*. He was a truly great and good man. I will miss him very much...his kindness, wit, devotion, and zeal for life. I send my deepest sympathy to the entire family, especially his children. I've only met Cole and Christine, but I am very fond of them, and my heart breaks for you all. Love and prayers.... Sheila Greeson

I knew Christi for many years before I met Tom. But when I saw them together at the St. Mary's chapel for their wedding, I knew it was true love. I know that Christi has welcomed Tom with loving arms, she is probably a little mad he left too early, but they both know that the Graham family is a strong family unit and all that are 'left behind will be loved and nurtured and through Gods good grace be loved.

My brother Tom moved to Roswell NM, to start a new chapter in his life. He devoted all his love and energy to starting and raising a beautiful family, well, baseball too.... His family came before anything else. It has been many years since I've seen my brother, but I enjoyed our periodic conversations. I will miss him ! My thoughts and prayers are now with his beloved children Skye, Christian, Cole and Christine. I know that Tom and Christy will be there every step of the way, guiding them through life. I have shared a photo that my Aunt Karen posted of Tom,, Tom started his love for baseball at a very early age...

Tom was always the center of attention no matter where he was; his charm and charisma drew people to him. When he met Christi, I knew she was the one as she was the only person to truly reel him in when needed. His love and devotion to the beautiful family they created together was truly amazing. My big brother will be missed by all he that came in contact with him. Skye, Christian, Cole, and Christine my thoughts and prayers are with you during this difficult time.
