“ *My Aunt Nickie, She was a shining star that will continue to shine bright in my mind and my heart. I will miss my phone calls to her as soon as she said "hello" in my mind I could picture her smile and how she brightened the moment with her laugh she'd say " I was thinking about you." I will miss her dearly! She was a classy lady with many talents always looked her best, I remember her sitting in her chair looking beautiful.*

My deepest sympathy goes out to all her family. May God comfort you and give you peace. May Our Lord bless all of you with His Love in your time of grief. My last visit with her, she inspired me as I watched her when she got up in the morning, she has a picture of all her family on her dresser she made the sign of cross on each member of her family blessed each one I am sure that this women "Honey" who gave you life and faith is with the God she loved may her memory be eternal. "Memory"...is the diary we all carry about with us. "Adios" Honey until we meet up again my lovely "Nita Nickolasita'
