Every Day and Every Night

Every day and every night,
When you feel the need
To hold me tight,
Just blow a kiss into the sky,
For I will be that close by.
In the heavens throughout the day,
I watch over you and hear you pray.
I see you smile and shed a tear,
For you know that I'm still near.
I'm the angel of your eye,
You're the angel in the sky.
