“ *I will miss you Uncle Norman. I remember when you took our family in when I was a kid when you lived in Hagerman. You really helped us out and I will always be grateful for that. I remember when me and this kid I was friends with were throwing rocks at an old broken down van on the property and you ran over and yelled at us to stop. It was the first and only time I made you angry and I was sure to never do it again. You were such a nice guy gentleman all the time, seeing you genuinely angry that one time stood out to me, and believe me, I never wanted to make you mad ever again, hehh.....*

*Love you Norman. Rest in peace*
