DeLette would consider her son, Shawn, her greatest accomplishment. She was a fantastic cook, seamstress, could do any needlecraft, and was an avid quilter. Many of these talents were passed onto her son and nieces, because Delette was also a very patient teacher.

“ *Shawn, I am so saddened to hear of your mom's passing. I always thought of her as a wonderful person and a friend. I regret not keeping in touch with DeLette when I left Roswell. I have many good memories of her at Roswell Livestock Auction, we laughed a lot. When I first started at the RLA I was not sure of your mom but soon learned what a wonderful person she was. You are in my thoughts and prayers. Paula K. Smart*

“ *What can I say about DeLette? She would tell you like it was. If she could not get a rise out of you she would try harder. She amazed me with her strength when she quit smoking--- just said 'I'm done' and she was. She would want one when she saw another smoker but she never touched them again.*
She a strong women, didn't let much bother her. When she got sick, the first time, she never gave up. Even takin care of Daphine. She raised Shawn be a strong man. She talkies about him all of the time. She will remembered as a great gal and a great friend. Just know that she is always there if you need her. Candy
