“ I want to let everyone know how sorry we are for such a loss. I remember how excited I was when I found out that I would not be the baby girl anymore. I wanted a little sister more than anything! Olivia was sweet, cute and had long black hair I could brush. I truly loved her very much. I will miss her so much. I wish for the family a great peace upon them knowing that Olivia is safe and watching over all of us. My prayers are "Lord, Please wrap your loving arms around each of us " May God bless.
