“ Our Dearest Oscar/Popo Your loss was so terribly unexpected. Just as words fail you in the face of all that has happened, words also fail those of us who care for you. While no one can take away the shock and sadness you naturally feel, be assured you will not be bearing your loss alone. Count on being supported through the weeks and months ahead. May your family be comforted in their time of healing, May Christ Jesus dry our tears and ease your pain. Our deepest sympathy goes out to your family. We are truly sorry for your loss as well as ours. May Christ Jesus fill your hearts with Love and Peace. Our family Loved you dearly thanks for all the wonderful memories with us, and for being so wonderful and loving to Mom, and our kids, we will continue to grant your wishes just liked you asked us to! Love and miss you Dearly, you are the best! And will be in our hearts Eternally!!!!!!!
