“ *I too worked with Pablo for about 6 years at Estes International. He was a very nice person to know and work with. He was also a very good mechanic. May God bless you all and comfort you in your loss.*

“ *My Deepest Sympathy To The Romero Family. Pablo was such an awesome man there are not words that would describe the caliber of this man, to know Pablo was a JOY in itself. The only thing missing in Pablo's life was the wings upon his back because I know he was an angel in disguise who had a family that was filled with Love. I had the Joy of knowing this Gentleman and even a greater joy to meet some of his family. Pablo will Forever be in our hearts. If you don't believe me just ask him he's there now. God Bless You All Romero Family, Peace Be With You.*
