“IN MEMORY OF MY MOTHER”

You were a precious gift from God above,
so much beauty, grace and love.

You touched our hearts in so many ways,
your smile so bright even on the bad days.

You heard God's whisper calling you home,
you didn't want to go and leave us alone.

You loved us so much, you held on tight,
till all the strength was gone and you could no longer fight.

He had called your name twice before,
you knew you couldn't make him wait anymore.

So you gave your hand to God and slowly drifted away,
knowing that with our love we will be together again some day.

“ *From the time my cousin Pam came in to my life we were best
friends. joined at the hip until geography separated us. I've missed
her laugh and gentleness for years, so that part is not new. But I
always knew she was a phone call away. We didn't talk everyday,
but often enough to keep in touch with each other's lives. She will
still be there, tucked gently in my heart, and I will still think of her
often, as I always have. I'm so proud of Brandon and Shaina, the
care they gave her, the love they poured on her during her last
days. I love you both very much, and am looking forward to seeing
you soon. You are both part of Pam, and she lives on through you,
and the rest of us that loved her beautiful soul.*
