“ Rolf, I just read about the passing of your wife, and wanted to send you my sincerest condolences. I don't think I've seen you since NovaBus days. What an amazing thing to say that you've been married 52 years, not many people can say that I'm afraid. I pray the precious memories you two shared bring you comfort in the days ahead. My heartfelt sympathies to you and your family,

“ Aunty Pat was a beautiful person, in every sense. As a child I always looked up to her, and fondly remember all the special times we shared. She had many talents, never afraid to try new things and explore the fun of learning. Even when time saw us moving on to new areas in life we managed to find and keep tabs on each other. Distance may have put us in different places but she never failed to let you know that you were in a safe place in her heart.

Our deepest condolences to Rolf, Terry and Doug, may your memories keep the joy and love always within you, especially during this difficult time.

Much love, Cheryl and Barry, Calgary AB
