“It was a joy to know Pat. I first met her at Casa Maria Nursing Home. We were both nursing assistants. Later we transferred to St. Mary’s Hospital where we worked together on the surgical floor. She was my mentor. We had become very good friends and spent a lot of time together both at work and out dancing or traveling around New Mexico. She was always happy and fun to be around. I will miss her. You have my deepest sympathy.”

“ My Prayers and Sympathy to all of Pat's Family, for Your Loss. I had the PLEASURE of working with Pat, at St.Mary's Hosp..I learned so much from her and Pat made it fun, she always had a smile and could laugh off the bad, she thought me to love my job and to always treat Patients the same way you(or family member)would want to be treated. I truly loved working in the Medical field because of what I learned from Pat. I will never forget you and one day we'll have a good laugh again.
