“ *Such a sweet and thoughtful woman. She always thought of me when ever her or Charlie made salmon patties...I could always count on some the next day. She will be missed and may she rest in peace.*

“ *My condolences to Pat's family and friends. After working with Pat for over eleven years, I can say with certainty, few have a sense of humor like Pat's. From the "breathing" puppy on her desk to some of the jokes we shared, she was always good for a laugh. May Pat rest in peace, and my prayers are with her family.*

Notes

Oh mamma, I don't even have the words to express what I am feeling right now. You treated me like I was your own flesh and blood, and loved me. I will never forget our "spa" days, and the many talks we had, whether on the phone or face to face. Know, that I will take care of your son, and share your memory with my girls. I love and miss you mamma.

Charles, Pat was a very special lady to Uncle Buddy and I from the first time we met her! Will miss her calls. You did good with the picture, sure she gave Uncle Buddy one of her sweet hugs.
