“ *My condolences go out to the immediate and distant family of Patsy. I know she will be missed greatly because the loss of a loved one is very hard to deal with. I remember when i was young and lived with Patsy's parents we were always into mischief but we had so much fun. She was always a happy and fun person to be around. Patsy we love you very much and wish that you didnt have to leave us so soon. But I know my dad will take good care of you in heaven. Love you girl
