“ I just want you to know that there won't be a day that goes by that i won't think of you. I can't believe that you are gone, I will no longer see you, or get to hear the sound of your voice. My heart is broken because you are gone, it will take alot of time to heal. Although I know that you are in a better place, you are now in the arms of the love of your life. I know that you are in a much happier place. I love you with all my heart and I am so glad that i was blessed with someone like you. Your heart was pure and im glad i had a part of it. I LOVE YU MOM ALWAYS & FOREVER!!!!
