“ *Aunt Shirley,
Thank you for always keeping in touch. You were so devoted to caring for Uncle Pat and I'm keeping you in my prayers now even more now. You were both hospitable and kind, and I hope you find peace and rest in the weeks ahead. Love, Cathleen McAllister xo*

“ *Aunt Shirley,
I haven't seen you or Uncle Pat for about 48 years, but I always remember the summer that I went up to stay with you for a couple of weeks. It was the longest that Beth and I ever got to spend together. I always have really fond memories of my time with you and Uncle Pat that summer! Your hospitality at opening your home to me, the trouble that Beth and I managed to get into (I won't mention our adventures here), riding Beth's horse, spending time with you two. I'm so sorry for your loss, but really happy that you and the rest of the family got to spend so many wonderful years together. You are all in my prayers and thoughts.*

“ Dear Aunt Shirley,

June and I are blessed to have just visited with Uncle Pat and you last week. So I know that it was divine providence that we were there when we were. I will always keep Uncle Pat in my thoughts and prayers. He was the last of my father's generation and he will be greatly missed by me and my family.

Many times I sought and always treasured Uncle Pat's reasoned advice. He was only eleven years my senior and the closest to me of all my McAllister uncles. Uncle Pat introduced me to flying at the age of 13 and that led to me later in life becoming a Pilot too.

When Maureen and I moved to the Bay Area you were living in Pleasanton and we were able to visit more often and in 1982 we held a McAllister family reunion at our Hayward home. My dad, Herbert, Uncle Harold, Pat and you and the families were all there. It was a special event that I still treasure.

We would often visit after you moved to Ukiah and my son John and I recalled the other day the Thanksgiving we all sheared at your home with Harold's and Beth Ann's family. And the boys, my son and Beth Ann's boys went for a less than sober ride around the golf course in Pat's golf cart... It is a wonder they did not get arrested... When I would visit we drove his golf cart during the Golf Tournament's in Ukiah. I later bought that golf cart from Uncle Pat and took it down to use at the Hayward Airport...

When you moved to Roswell I would fly over from El Cajon, CA to visit you and on one occasion we even went flying over to Texas together. So many great memories and yet so little time together... I wish there had been more time.

Uncle Pat will always be with me in my memories and in my heart. And I know he was in heaven playing Pinochle with his brothers and sister for two hours before the devil knew he was gone...

Gàidhlig gu Beurla - May God Bless and keep him.

Slainte Mhath with Love to you and Blessing for Uncle Pat.

“ *My papa was a good man. He was a good husband, father, grandfather and great grandfather. I will always remember the first time he took me camping. He and Nana pulled up in this big rv trailer and told me he and I were going to the woods. I had a great time down there by the river, he taught me how to play poker that trip. He always tryd to show me the higher road, "remember Darrell, treat others the way you want to be treated, respect women, work hard with integrity, never give up your dreams but remember you have responsibilities" these are the things I will remember forever, the life lessons he would teach me. He would make it a point to teach me these things and I appreciate it more than he knew. Patrick Edward McAllister will always be my role model for what a family man is and how to treat the people in the world around me. Words do not do justice for how I miss you already. Rest in the arms of the Lord Papa,
Your loving Grandson Darrell McAllister*

“ *Dear Shirley and family, I am saddened to learn of Patrick's death. The short time that I knew him was enjoyable due to his keen wit and sense of humor. Those who knew him longer than I will surely miss him deeply. My thoughts and prayers are with you. God bless.
