“ *The Tuttle family expresses their deepest sympathy to the family Patsy left behind, especially Patty, Paul, Katie and Mack. She will be deeply missed.*

*Memories: The Tuttle family shared some very good times with Patsy. She was a wonderful and loving person. I never one time saw her sad; always smiling. She always welcomed us with open arms. Being around her, we knew the great love she felt for her family. There was always that bright twinkle in her eye when she spoke about Katie and Mack. We enjoyed the times we spent playing cards and sharing in special events with the family. We always looked forward to special and delicious food dishes Patsy would make for the Espinosa's when we would all go together RV camping and they would share with us. We were blessed with a wonderful friend and we will miss her.*
