“ *I loved working with Patti at the District Attorney's office. She always helped calm me down when I was stressed at work. I always enjoyed our lunches, especially at Popo's, one of Patti's favorites. She was very handy at fixing or making things. Besides her being my supervisor, she was a friend. When I moved to NC, she gave me a wind chime which still hangs on my front porch. My best to Ollie during this sad time. Cathy Brink.*
